

USTA ATLANTA

Hello Captains!

Welcome to the spring season of the men's 65 & Over League!

This introductory letter will serve as an information source throughout the entire league season. Refer to it whenever you have a question. If there is a question not listed in this information source, or if you need clarification on a topic, please do not hesitate to contact me.

IMPORTANT REMINDERS:

- In order for players to be eligible to play in the local playoffs, they must play **one time during the regular season** (first match through the last regularly scheduled match of the round robin). A default may count as a match played.
- If a team forfeits 2 or 3 lines in a match, making it invalid, a warning letter will be sent to the team. If this happens a second time in the league season, the team will be removed from the league and reported to the USTA Georgia Adult League Committee for review.

Sincerely,

Chris Canter
Adult and Junior League Program Coordinator, USTA Atlanta

All leagues in Georgia: Men and Women – State Berths Given

Adding a Player After Season Begins

You may add players at any time up until 11:59 PM on the Thursday before the last local round robin match for the 3.0 and 3.5 league and 11:59 PM on the Sunday before the last local round robin match for the 4.0 league. Make sure your player is registered on your team before stepping foot on the court. If your player's match starts at 10:00 AM, and they registered on the team at 10:02 AM, it is an illegal match and will be disqualified and awarded to the opposing team.

Captain's Corner

The Captain's Corner is another key resource tool for captains. You can find the Captain's Corner by going to www.ustaatlanta.com > Captain's Corner > Adult 65 & Over Men. Here, you will find:

- TennisLink instructions;
- League calendar;
- USTA Atlanta local league rules and regulations;
- Grievance forms and procedures;
- Self-rating Guidelines;

The Grievances Process (found in captain's corner)

When viewing the captain's corner, you will notice a grievance section with two types of complaints that can be filed from a captain.

NTRP Grievance aka "Fair Play Grievance"

If you believe that you (or one of your players) have played against a player that has misrepresented their playing ability within the self-rating process (i.e., their playing level is at the top of the next level or higher), you should file a NTRP Grievance ASAP before the next match is played. You must have evidentiary support for your claim (T2 record, college background, etc). An opinion is not a valid back-up for a self-rate grievance.

USTA Atlanta does not process NTRP Grievances – this is done by the USTA Southern Section. However, you will submit your form to USTA Atlanta, who will forward your complaint to USTA Southern. You can find forms and instructions in the captain's corner.

Sportsmanship Grievance

All complaints alleging a violation of USTA League Regulations shall be filed in writing by a team captain via email (grievances@ustaatlanta.com) to the chairman of the USTA Atlanta Grievance Committee. Examples of valid grievances include but are not limited to: misrepresenting a player's identity on a scorecard or in TennisLink; falsifying scores in TennisLink; recording a score without playing the match; using ethnic slurs or obscene language; coaching; abusive behavior; or physical violence.

Grievances must be filed prior to whichever occurs first: (a) the involved team's next match in that flight whether or not the involved player participates OR (b) within 24 hours after the end of the local league regular season. For all grievances arising during playoffs (including city finals), grievances must be filed within 30 minutes of the completion of the involved team's match.

There is a \$50 fee for filing a grievance under this Section VIII, which must accompany the written grievance. If the grievance is kept on file or penalties are imposed, USTA Atlanta will refund the \$50 fee. All grievance filing fees retained by USTA Atlanta will be donated to the Atlanta Youth Tennis and Education Foundation.

Important Tips

- Be sure to thoroughly read through and be well-versed with USTA Atlanta local rules and regulations.
- Ensure a proper scorecard exchange before each match. Both captains should simultaneously exchange COMPLETE scorecards before the start of the match. This can be done via text message to allow for social distancing.
- Assign a co-captain for your team! This will help for when you are out-of-town unexpectedly and can have someone take over for a team match. Once assigned, they will be able to have captain access on TennisLink.
- Contact your captain at least 3 days in advance to coordinate logistics for the team match.
- When speaking with the captain, confirm the facility address to make sure you have the correct address on file. You will also want to find out the number of courts that will be given for match and court surface.

USTA ATLANTA

- If both captains agree, you may play your match earlier or at a different time on match day. Keep your program director informed if you do this!
- “Home” teams are required to provide two courts of the same surface for each team match. Unless another arrangement was made (and “agreed upon” by both captains), the first two matches to go on will be the #1 doubles and #2 doubles. The #3 doubles should be there within one hour after the start of match time.
- Make sure your player is registered on your team before stepping foot on the court. If your player’s match is started at 10:00 AM, and they registered on the team at 10:02 AM, it is an illegal match and will be disqualified and awarded to the opposing team.

Good luck – and have a great season!
