For all other women's levels, teams need at least 9 eligible players registered by the deadline. For all men's levels, teams need at least 8 eligible players registered by the deadline. Teams need to register at the level of their highest-rated player. *For example, if your highest-rated player is 3.5, then your team needs to register for the 3.5 level.*
- Home Facility Requirements: Teams are required to provide two courts of the same surface at their location and have onsite access to bathrooms. **All facilities must be located in Cobb, DeKalb, Douglas, Forsyth, Fulton, Gwinnett, or Paulding County (east of Hwy 61).** Captains at a new facility should contact Chris Canter at [canter@ustaatlanta.com](mailto:canter@ustaatlanta.com) to have their facility added to TennisLink. Lights are **required** if a make-up match takes place during the evening.

## Player Requirements

- New USTA Players and/or Self-Rate Players: New players that do not have a NTRP rating must self-rate using the USTA League Self-Rating Guidelines as found on the [USTA Georgia NTRP Ratings](#) page. Individuals are required to answer a series of questions prior to self-rating. **It is strongly recommended that self-rated players register at least 21 days prior to the registration deadline so any appeals can be handled before the close of registration.** If a person has a computer rating generated 3 years ago (2 years ago for 60 and Over), s/he will be permitted to enter a new self-rating.
- Ratings for the 2026 Summer League: Returning players must use their most recent Year End Rating that is published in TennisLink.
- Ratings for the 3.5 Low League: 3.5 Low Eligibility Lists can be found here: [USTA Atlanta Low Lists](#). The eligibility list is used for 3.5 players whose dynamic rating is within the applicable range to play in the 3.5 Low league. Any 3.0 player is eligible to play in the league.
- Ratings for the 4.0 Low League: 4.0 Low Eligibility Lists can be found here: [USTA Atlanta Low Lists](#). The eligibility list is used for 4.0 players whose dynamic rating is within the applicable range to play in the 4.0 Low league. Any 3.5 player is eligible to play in the league.
- **Age Eligibility: Players must reach the age of 18 PRIOR to participating in a USTA League.**
- USTA Membership: All players must have a USTA membership that is current through August 31, 2025. To join or renew a membership, go to [www.usta.com](http://www.usta.com) or call 1-800-990-USTA. ## Other Important Information

- **Teams that are formed outside of the USTA Atlanta boundaries (outside of Cobb, DeKalb, Douglas, Forsyth, Fulton, Gwinnett and Paulding (east of Hwy 61) are welcome to participate in the USTA Atlanta adult league (if approved). However, teams outside USTA Atlanta boundaries may be required to travel to more (if not all) matches, and will be grouped with the teams in closest proximities as possible.**
- USTA Atlanta will make every effort to group teams within the closest proximities possible. Just because your team is closer to one facility does not necessarily mean you will be grouped in that sub-flight.
- TennisLink allows captains to view the "work in progress" that USTA Atlanta does when putting together schedules. In most cases, teams are shifted around in order to finalize other divisions. **PLEASE NO PHONE CALLS prior to schedules being posted.**

## Instructions for Registering a Team

All team requirements must be met prior to starting registration.

### “CREATING A TEAM AND TEAM NUMBER”

- Go to [Online Team Creation](#) in TennisLink (under My Quick Links or by clicking the aforementioned link).
- All players and captains must create a TennisLink account to create/register for a team. You will be required to login and enter a password to create a team.
- All Captains must create a new team number each season. This step creates a team number *and* registers the captain on that team.
  - Select the “Online Team Creation” Link under Quick Links
  - Select Section (**USTA/Southern**)
  - Select District/Area (**GEORGIA**)
  - Select Area (**GA-ATLANTA 2026**)
  - Select League for (**USTA ATLANTA SUMMER – Adult 18 & Over**)
  - Select Flight (**example: 3.5**)
  - Enter Team Name using this format: **Home Courts (Captain’s Name)**. An example would be: Hudlow (John Johnson)
  - Select your Home Court Facility:
    - When you see Home Courts - Click “**Other Facility**” button.
    - A new screen called “**Facility Locator**” will pop up. In the “Special Search” box, use the arrow to drop down and select “**Atlanta League Facilities.**”
    - In the “Facility Name” box and type the first 3 or 4 letters of your facility name (i.e.: Hud for Hudlow) then State and click “Search”. **Do not fill in any other boxes.**
    - If your facility does not appear using the name search, take out the 3 letters of your facility and try using the facility zip code. The list may be long but your facility will be here.
    - Once your facility is located, **click on it once**, the Facility Locator screen will close and the facility name will pre-fill on the Online Team Creation page.
  - Click “**Create Team.**”
  - Follow the instructions on the screen for payment.
  - **Write down your team number.** Print a copy of your confirmation. You need the team number to give to your players so that they can register on your team.
  - If you did not receive a “Congratulations” screen with an invoice number then your team is not registered and the team number that you have is not valid.

## “REGISTERING A PLAYER”

- All players must create a TennisLink account to register for a team. You will be required to login and enter a password to register for a team.
- Go to “Register for a Team.”
- Enter individual USTA membership number of the player (or players) starting on line # 1.
- Enter your **new** team number for **SUMMER 2026 League Year**.
- Enter your phone number. This option will allow you to override your membership information should you wish to use a **cell phone number** as your primary contact.
- Click “Submit.”
- If a person does not have a computer rating the system will **prompt a series of questions to declare a self-rating**. Players should self-rate where they believe is correct and not just use the TennisLink assigned minimum level. If you choose a rating for another person and they do not agree with that rating it cannot be changed once a match is played. **If you self-rate for another person and a grievance is filed against that person for playing below their ability level, you may be held responsible as well.**
- Enter the credit card number on the secure site.
- When the confirmation page is displayed, you are registered!

- Login to your TennisLink account
  - Go to your my Tennis Page
  - Select your team from your “My Teams” list
  - Select “Player Roster.”
- Note: In navigating in the team summary report, use the “Back” button on the screen.
